Subjects

Acromegaly
letter to the editor: incomplete analgesic effect of lanreotide in acromegaly [Maffei] 299 (May)

Acute Treatment
sumatriptan in the acute treatment of migraine without aura: efficacy of 50-mg dose [Moschiano] 421 (July/August)

Acute Treatment of Migraine
repeated doses of combined oral lysine acetylsalicylate and metoclopramide in the acute treatment of migraine [Hugues] 452 (July/August)

Administration of Dihydroergotamine
dosing and administration of ergotamine tartrate and dihydroergotamine [Mathew] S26 (Supplement 1)

Administration of Ergotamine Tartrate
dosing and administration of ergotamine tartrate and dihydroergotamine [Mathew] S26 (Supplement 1)

Adolescents
headache intensity and quality of life in adolescents. how are changes in headache intensity in adolescents related to changes in experienced quality of life? [Langeveld] 37 (January)

chronic daily headache in children and adolescents: current status and recommendations for the future [Gladstein] 626 (November/December)

Alcohol
alcohol, smoking, and caffeine use among headache patients [Mannix] 572 (October)

Alpha$_1$-Adrenergic Blockers
alpha$_1$-adrenergic blockers: do they have a place in the prophylaxis of migraine? [Vatz] 107 (February)

Amnesia
case report: migrainous stroke causing thalamic infarction and amnesia during treatment with propranolol [Mendizabal] 594 (October)

Analgesic Drug Taking
analgesic drug taking: beliefs and behavior among headache patients [Ferrari] 88 (February)

Analgesic Misuse
alteration of central excitation circuits in chronic headache and analgesic misuse [Fusco] 486 (September)

Appropriate Use of Dihydroergotamine
appropriate use of ergotamine tartrate and dihydroergotamine in the treatment of migraine: current perspectives [Young] S42 (Supplement 1)

Appropriate Use of Ergotamine Tartrate
appropriate use of ergotamine tartrate and dihydroergotamine in the treatment of migraine: current perspectives [Young] S42 (Supplement 1)

Autoregulation
letter to the editor: benign exertional headache/benign sexual headache: a disorder of myogenic cerebrovascular autoregulation [Heckmann] 597 (October)

Basilar Artery Migraine
case report: basilar artery migraine: transcranial Doppler, EEG, and SPECT from the aura phase to the end [La Spina] 43 (January)

Behavioral Treatment
effects of a mass media behavioral treatment for chronic headache: a pilot study [de Bruijn-Kofman] 415 (July/August)

Biofeedback Treatment
enhanced performance feedback to strengthen biofeedback treatment outcome with childhood migraine [Allen] 169 (March)

Blood Pressure
acrophase amplitude of ambulatory blood pressure decreases in migraineurs [Takeshima] 577 (October)

BMS 180048
twenty-four-hour effectiveness of BMS 180048 in the acute treatment of migraine headaches [Ryan] 245 (April)

Book Reviews
headache relief for women [Villarreal] 116 (February)

headache treatment. trial methodology and new drugs [Mosek] 599 (October)

Botulinum Toxin
case report: botulinum toxin injection for cervicogenic headache [Hobson] 253 (April)

Brief Communications
male preponderance of cluster headache is progressively decreasing over the years [Manzoni] 588 (October)

herpes zoster ophthalmicus mimicking carotid artery dissection: a case report [Verghese] 663 (November/December)

Bupropion
letter to the editor: treatment of headache with bupropion [Goodman] 256 (April)

Ca^{2+} Channel Gene
involvement of a Ca^{2+} channel gene in familial hemiplegic migraine and migraine with and without aura [Ophoff] 479 (September)

Caffeine
alcohol, smoking, and caffeine use among headache patients [Mannix] 572 (October)

hypoalgesic effect of caffeine in experimental ischemic muscle contraction pain [Myers] 654 (November/December)

Carbon Monoxide
case report and subject review: sumatriptan relieves migrainelike headaches associated with carbon monoxide exposure [Lipton] 392 (June)

Carotid Artery Dissection
case report: spontaneous bilateral internal carotid artery dissection and migraine: a potential diagnostic delay [Duyff] 109 (February)

herpes zoster ophthalmicus mimicking carotid artery dissection: a case report [Verghese] 663 (November/December)

Case Report and Subject Review
sumatriptan relieves migrainelike headaches associated with carbon monoxide exposure [Lipton] 392 (June)

Case Reports
basilar artery migraine: transcranial Doppler, EEG, and SPECT from the aura phase to the end [La Spina] 43 (January)

spontaneous bilateral internal carotid artery dissection and migraine: a potential diagnostic delay [Duyff] 109 (February)

botulinum toxin injection for cervicogenic headache [Hobson] 253 (April)

the site of common side effects of sumatriptan [Solomon] 289 (May)

chronic intractable headache in a patient with Marfan's syndrome [Fukutake] 291 (May)

antihistamine responsive cluster headache in a teenaged girl [Neubauer] 296 (May)

recurrent branch retinal infarcts in association with migraine [Beversdorf] 396 (June)

migrainelike headache in a patient with a hemorrhagic pituitary macroadenoma [Evans] 455 (July/August)

transverse sinus thrombosis: an unusual cause of headache [Wasson] 457 (July/August)

headache caused by a sphenoid mucocele but presenting as an ergotamine-induced headache [Bauer] 460 (July/August)

cerebral vasomotor changes in the transient syndrome of headache with neurologic deficits and CSF lymphocytosis (HaNDL) [Kappler] 516 (September)

serotonin syndrome presenting with migrainelike stroke [Molaie] 519 (September)

painful trigeminal neuropathy: clinical and pharmacological observations [Khurana] 522 (September)

a late 'migraine': the only symptom of an intrasellar aneurysm [Narbone] 527 (September)

familial hemiplegic migraine with crossed cerebellar diaschisis and unilateral meningeal enhancement [Crawford] 590 (October)

migrainous stroke causing thalamic infarction and amnesia during treatment with propranolol [Mendizabal] 594 (October)

chewing gum headaches [Blumenthal] 665 (November/December)

reduction of migraine attacks during the use of warfarin [Fragoso] 667 (November/December)

Central Excitation Circuits
alteration of central excitation circuits in chronic headache and analgesic misuse [Fusco] 486 (September)

Cerebellar Diaschisis
case report: familial hemiplegic migraine with crossed cerebellar diaschisis and unilateral meningeal enhancement [Crawford] 590 (October)

Cerebral Blood Flow
cerebral blood flow in chronic posttraumatic headache [Gilkey] 583 (October)

Cerebral Blood Flow Velocity
sumatriptan and cerebral blood flow velocity changes during migraine attacks [Totaro] 635 (November/December)

Cerebrovascular Autoregulation
letter to the editor: benign exertional headache/benign sexual headache: a disorder of myogenic cerebrovascular autoregulation [Heckmann] 597 (October)

Cervicogenic Headache
case report: botulinum toxin injection for cervicogenic headache [Hobson] 253 (April)

Chewing Gum
case report: chewing gum headaches [Blumenthal] 665 (November/December)

Childhood Migraine
enhanced performance feedback to strengthen biofeedback treatment outcome with childhood migraine [Allen] 169 (March)

headache diary in the diagnosis of childhood migraine [Metsähonkala] 240 (April)

Children
chronic daily headache in children and adolescents: current status and recommendations for the future [Gladstein] 626 (November/December)

Chinook Winds
effect of Chinook winds on the probability of migraine headache occurrence [Piorecky] 153 (March)

Chronic Daily Headache
chronic daily headache. a clinical and psychological profile before and after treatment [Mongini] 83 (February)

prevalence and clinical features of chronic daily headache in a headache clinic [Srikiatkhachorn] 277 (May)

chronic daily headache in children and adolescents: current status and recommendations for the future [Gladstein] 626 (November/December)

Chronic Headache
effects of a mass media behavioral treatment for chronic headache: a pilot study [de Bruijn-Kofman] 415 (July/August)

alteration of central excitation circuits in chronic headache and analgesic misuse [Fusco] 486 (September)

fatigue and sleep in chronic headache sufferers: an age- and sex-controlled questionnaire study [Spierings] 549 (October)

Chronic Tension-Type Headache
pericranial muscle tenderness and exteroceptive suppression of temporalis muscle activity: a blind study of chronic tension-type headache [Lipchik] 368 (June)

protriptyline, chronic tension-type headaches, and weight loss in women [Cohen] 433 (July/August)

postlumbar puncture headache and its relation to chronic tension-type headache [Hannerz] 659 (November/December)

Ciliospinal Reflex
the enhanced ciliospinal reflex in asymptomatic patients with cluster headache is due to preganglionic sympathetic mechanisms [Havelius] 496 (September)

Clonidine
transdermal clonidine in the prophylaxis of episodic cluster headache: an open study [Leone] 559 (October)

Cluster Headache
coexistence of migraine and cluster headache: report of 10 cases and possible pathogenetic implications [D'Amico] 21 (January)

case report: antihistamine responsive cluster headache in a teenaged girl [Neubauer] 296 (May)

sympathetic vasoconstrictor outflow to extremity muscles in cluster headache. recordings during spontaneous and nitroglycerine-induced attacks [Nordin] 358 (June)

methylergonovine maleate as a cluster headache prophylactic: a study and review [Mueller] 437 (July/August)

the enhanced ciliospinal reflex in asymptomatic patients with cluster headache is due to preganglionic sympathetic mechanisms [Havelius] 496 (September)

transdermal clonidine in the prophylaxis of episodic cluster headache: an open study [Leone] 559 (October)

male preponderance of cluster headache is progressively decreasing over the years [Manzoni] 588 (October)

College Adults
psychosocial factors and prediction of headaches in college adults [Labbé] 1 (January)

Colloid Cyst of the Third Ventricle
paroxysmal headache caused by colloid cyst of the third ventricle: case report and review of the literature [Young] 15 (January)

Commercial Airlines
letter to the editor: overhead headaches: overhead hazards on commercial airplanes [Evans] 114 (February)

Cranial Pachymeningitis
idiopathic hypertrophic cranial pachymeningitis: an unusual cause of subacute and chronic headache [Phanthumchinda] 249 (April)

CSF Lymphocytosis
case report: cerebral vasomotor changes in the transient syndrome of headache with neurologic deficits and CSF lymphocytosis (HaNDL) [Kappler] 516 (September)

CSF Pleocytosis
migrainous syndrome with CSF pleocytosis. SPECT findings [Caminero] 511 (September)

Cyclic AMP
platelet ionized magnesium, cyclic AMP, and cyclic GMP levels in migraine and tension-type headache [Mishima] 561 (October)

Cyclic GMP
platelet ionized magnesium, cyclic AMP, and cyclic GMP levels in migraine and tension-type headache [Mishima] 561 (October)

Depression Scores
headache and self-assessed depression scores in Singapore University undergraduates [Ho] 26 (January)

Diagnosis of Migraine
diagnosis and symptomatic treatment of migraine [Saper] S1 (Supplement 1)

Dihydroergotamine
the pharmacology of ergotamine and dihydroergotamine [Silberstein] S15 (Supplement 1)

ergotamine tartrate and dihydroergotamine mesylate: safety profiles [Lipton] S33 (Supplement 1)

dosing and administration of ergotamine tartrate and dihydroergotamine [Mathew] S26 (Supplement 1)

appropriate use of ergotamine tartrate and dihydroergotamine in the treatment of migraine: current perspectives [Young] S42 (Supplement 1)

Dihydroergotamine Safety Profiles
ergotamine tartrate and dihydroergotamine mesylate: safety profiles [Lipton] S33 (Supplement 1)

Droperidol
letter to the editor: treatment of acute migraine with intravenous droperidol [Rothrock] 256 (April)

droperidol treatment of status migrainosus and refractory migraine [Wang] 377 (June)

EEG
case report: basilar artery migraine: transcranial Doppler, EEG, and SPECT from the aura phase to the end [La Spina] 43 (January)

Elderly Cohort
headache in a population-based elderly cohort. an ancillary study to the Italian Longitudinal Study of Aging (ILSA) [Franceschi] 79 (February)

EMG Activity
mental stress of long duration: EMG activity, perceived tension, fatigue, and pain development in pain-free subjects [Bansevicius] 499 (September)

EMG Levels
the comparison of individuals with tension-type headache and headache-free controls on frontal EMG levels: a meta-analysis [Wittrock] 424 (July/August)

Ergotamine
the pharmacology of ergotamine and dihydroergotamine [Silberstein] S15 (Supplement 1)

Ergotamine-Induced Headache
case report: headache caused by a sphenoid mucocele but presenting as an ergotamine-induced headache [Bauer] 460 (July/August)

Ergotamine Tartrate
dosing and administration of ergotamine tartrate and dihydroergotamine [Mathew] S26 (Supplement 1)

ergotamine tartrate and dihydroergotamine mesylate: safety profiles [Lipton] S33 (Supplement 1)

appropriate use of ergotamine tartrate and dihydroergotamine in the treatment of migraine: current perspectives [Young] S42 (Supplement 1)

Ergotamine Tartrate Safety Profiles
ergotamine tartrate and dihydroergotamine mesylate: safety profiles [Lipton] S33 (Supplement 1)

Exertional Headache
letter to the editor: benign exertional headache/benign sexual headache: a disorder of myogenic cerebrovascular autoregulation [Heckmann] 597 (October)

Familial Hemiplegic Migraine
involvement of a Ca^{2+} channel gene in familial hemiplegic migraine and migraine with and without aura [Ophoff] 479 (September)

case report: familial hemiplegic migraine with crossed cerebellar diaschisis and unilateral meningeal enhancement [Crawford] 590 (October)

Fatigue
mental stress of long duration: EMG activity, perceived tension, fatigue, and pain development in pain-free subjects [Bansevicius] 499 (September)

fatigue and sleep in chronic headache sufferers: an age- and sex-controlled questionnaire study [Spierings] 549 (October)

Gamma Knife Headache
post gamma knife headache: a new headache syndrome? [Rozen] 180 (March)

Growth Environment
growth environment and personality in adult migraineurs and their migraine-free siblings [Persson] 159 (March)

Headache
headache and self-assessed depression scores in Singapore University undergraduates [Ho] 26 (January)

headache in Sweden: the importance of working conditions [Antonov] 228 (April)

Headache and Stress
headache and stress in a group of nurses and government administrators in Japan [Nadaoka] 386 (June)

Headache During Pregnancy and in the Postpartum
headache during pregnancy and in the postpartum. a prospective study [Scharff] 203 (April)

Headache in a Population-Based Elderly Cohort
headache in a population-based elderly cohort. an ancillary study to the Italian Longitudinal Study of Aging (ILSA) [Franceschi] 79 (February)

Headache Intensity
headache intensity and quality of life in adolescents. how are changes in headache intensity in adolescents related to changes in experienced quality of life? [Langeveld] 37 (January)

Headache Relief for Women
headache relief for women [Villarreal] 116 (February)

Headache With Neurologic Deficits
case report: cerebral vasomotor changes in the transient syndrome of headache with neurologic deficits and CSF lymphocytosis (HaNDL) [Kappler] 516 (September)

Herpes Zoster Ophthalmicus
herpes zoster ophthalmicus mimicking carotid artery dissection: a case report [Verghese] 663 (November/December)

High Altitude
prevalence of migraine and headache in a high-altitude town of Peru: a population-based study [Jaillard] 95 (February)

HIV Disease
recurrent 'migrainelike' episodes in patients with HIV disease [Rinaldi] 443 (July/August)

Idiopathic Intracranial Hypertension
idiopathic intracranial hypertension and seventh nerve palsy [Capobianco] 286 (May)

Intractable Headache
continuous intravenous dihydroergotamine in the treatment of intractable headache [Ford] 129 (March)

case report: chronic intractable headache in a patient with Marfan's syndrome [Fukutake] 291 (May)

Intrasellar Aneurysm
case report: a late 'migraine': the only symptom of an intrasellar aneurysm [Narbone] 527 (September)

Intravenous Dihydroergotamine
continuous intravenous dihydroergotamine in the treatment of intractable headache [Ford] 129 (March)

Ischemic Muscle Contraction Pain
hypoalgesic effect of caffeine in experimental ischemic muscle contraction pain [Myers] 654 (November/December)

Italian Longitudinal Study of Aging (ILSA)
headache in a population-based elderly cohort. an ancillary study to the Italian Longitudinal Study of Aging (ILSA) [Franceschi] 79 (February)

Juvenile Migraine
interictal and ictal phase study with Tc 99m HMPAO brain SPECT in juvenile migraine with aura [Soriani] 31 (January)

visual evoked potentials and serum magnesium levels in juvenile migraine patients [Aloisi] 383 (June)

Ketoprofen
ketoprofen versus paracetamol in the treatment of acute migraine [Karabetsos] 12 (January)

Lanreotide
letter to the editor: incomplete analgesic effect of lanreotide in acromegaly [Maffei] 299 (May)

Letters to the Editor
migraine with visual aura versus occipital epilepsy [Martinez] 113 (February)

sumatriptan prophylaxis for intractable migraine [Gilbert] 113 (February)

overhead headaches: overhead hazards on commercial airplanes [Evans] 114 (February)

neglected symptoms of a migraine attack [Haks] 115 (February)

prolotherapy for chronic headache [Abraham] 256 (April)

treatment of headache with bupropion [Goodman] 256 (April)

treatment of acute migraine with intravenous droperidol [Rothrock] 256 (April)

incomplete analgesic effect of lanreotide in acromegaly [Maffei] 299 (May)

migraine-related stroke versus migraine-induced stroke [Dayno] 463 (July/August)

migraines and tannins - any relationship [Mather] 529 (September)

benign exertional headache/benign sexual headache: a disorder of myogenic cerebrovascular autoregulation [Heckmann] 597 (October)

Loss of Productivity
loss of productivity and quality of life in migraine sufferers among French workers: results from the GAZEL cohort [Michel] 71 (February)

Lysine Acetylsalicylate
repeated doses of combined oral lysine acetylsalicylate and metoclopramide in the acute treatment of migraine [Hugues] 452 (July/August)

Magnesium
visual evoked potentials and serum magnesium levels in juvenile migraine patients [Aloisi] 383 (June)

platelet ionized magnesium, cyclic AMP, and cyclic GMP levels in migraine and tension-type headache [Mishima] 561 (October)

Marfan's Syndrome
case report: chronic intractable headache in a patient with Marfan's syndrome [Fukutake] 291 (May)

Mass Media
effects of a mass media behavioral treatment for chronic headache: a pilot study [de Bruijn-Kofman] 415 (July/August)

Meningeal Enhancement
case report: familial hemiplegic migraine with crossed cerebellar diaschisis and unilateral meningeal enhancement [Crawford] 590 (October)

Menstrual Cycle
the menstrual cycle and migraine: a time-series analysis of 20 women migraineurs [Lokken] 235 (April)

Mental Stress
mental stress of long duration: EMG activity, perceived tension, fatigue, and pain development in pain-free subjects [Bansevicius] 499 (September)

Methylergonovine Maleate
methylergonovine maleate as a cluster headache prophylactic: a study and review [Mueller] 437 (July/August)

Metoclopramide
repeated doses of combined oral lysine acetylsalicylate and metoclopramide in the acute treatment of migraine [Hugues] 452 (July/August)

Middle Turbinate Headache Syndrome
middle turbinate headache syndrome [Anselmo-Lima] 102 (February)

Migraine
diagnosis and symptomatic treatment of migraine [Saper] S1 (Supplement 1)

coexistence of migraine and cluster headache: report of 10 cases and possible pathogenetic implications [D'Amico] 21 (January)

case report: spontaneous bilateral internal carotid artery dissection and migraine: a potential diagnostic delay [Duyff] 109 (February)

characteristics of migraine visual aura [Queiroz] 137 (March)

pathogenesis of posttraumatic headache and migraine: a common headache pathway? [Packard] 142 (March)

effect of Chinook winds on the probability of migraine headache occurrence [Piorecky] 153 (March)

therapeutic blockade of greater occipital and supraorbital nerves in migraine patients [Caputi] 174 (March)

psychophysical precedents of migraine in relation to the time of onset of the headache: the migraine time line [Spierings] 217 (April)

the menstrual cycle and migraine: a time-series analysis of 20 women migraineurs [Lokken] 235 (April)

twenty-four-hour effectiveness of BMS 180048 in the acute treatment of migraine headaches [Ryan] 245 (April)

case report: recurrent branch retinal infarcts in association with migraine [Beversdorf] 396 (June)

involvement of a Ca^{2+} channel gene in familial hemiplegic migraine and migraine with and without aura [Ophoff] 479 (September)

platelet ionized magnesium, cyclic AMP, and cyclic GMP levels in migraine and tension-type headache [Mishima] 561 (October)

neurotology of migraine [Baloh] 615 (November/December)

sumatriptan and cerebral blood flow velocity changes during migraine attacks [Totaro] 635 (November/December)

naratriptan is effective and well tolerated in the acute treatment of migraine. results of a double-blind, placebo-controlled, parallel-group study [Klassen] 640 (November/December)

quantitative assessment of the tension-type headache and migraine severity continuum [Schade] 646 (November/December)

Migraine and Stress
migraine and stress: a daily examination of temporal relationships in women migraineurs [Holm] 553 (October)

Migraine in Urban Children
clinical and demographic characteristics of migraine in urban children [Lee] 269 (May)

Migrainelike Episodes
recurrent 'migrainelike' episodes in patients with HIV disease [Rinaldi] 443 (July/August)

Migrainelike Headaches
case report and subject review: sumatriptan relieves migrainelike headaches associated with carbon monoxide exposure [Lipton] 392 (June)

Migrainelike Stroke
case report: serotonin syndrome presenting with migrainelike stroke [Molaie] 519 (September)

Migraine-Related Stroke
letter to the editor: migraine-related stroke versus migraine-induced stroke [Dayno] 463 (July/August)

Migraines and Tannins
letter to the editor: migraines and tannins - any relationship [Mather] 529 (September)

Migraine With Aura
interictal and ictal phase study with Tc 99m HMPAO brain SPECT in juvenile migraine with aura [Soriani] 31 (January)

Migraine Without Aura
sumatriptan in the acute treatment of migraine without aura: efficacy of 50-mg dose [Moschiano] 421 (July/August)

Migraine With Visual Aura
letter to the editor: migraine with visual aura versus occipital epilepsy [Martinez] 113 (February)

Migrainous Stroke
case report: migrainous stroke causing thalamic infarction and amnesia during treatment with propranolol [Mendizabal] 594 (October)

Migrainous Syndrome
migrainous syndrome with CSF pleocytosis. SPECT findings [Caminero] 511 (September)

Monoaminergic Transmitters
cerebrospinal fluid, neuropeptides, and monoaminergic transmitters in patients with trigeminal neuralgia [Strittmatter] 211 (April)

Muscle Tenderness
pericranial muscle tenderness and exteroceptive suppression of temporalis muscle activity: a blind study of chronic tension-type headache [Lipchik] 368 (June)

Naratriptan
naratriptan is effective and well tolerated in the acute treatment of migraine. results of a double-blind, placebo-controlled, parallel-group study [Klassen] 640 (November/December)

Neck Mobility
neck mobility in different headache disorders [Zwart] 6 (January)

Neglected Symptoms
letter to the editor: neglected symptoms of a migraine attack [Haks] 115 (February)

Neuropeptides
cerebrospinal fluid, neuropeptides, and monoaminergic transmitters in patients with trigeminal neuralgia [Strittmatter] 211 (April)

Neurotology
neurotology of migraine [Baloh] 615 (November/December)

Neurotransmitters
study of pressure pain and cellular concentration of neurotransmitters related to nociception in episodic tension-type headache patients [Mazzotta] 565 (October)

Occipital Epilepsy
letter to the editor: migraine with visual aura versus occipital epilepsy [Martinez] 113 (February)

Oral Narcotic Protocol
oral narcotic protocol to reduce narcotic injections in refractory migraine patients [Von Seggern] 341 (June)

Paracetamol
ketoprofen versus paracetamol in the treatment of acute migraine [Karabetsos] 12 (January)

Parent Responses
parent responses to pediatric headache [Wall] 65 (February)

Paroxysmal Headache
paroxysmal headache caused by colloid cyst of the third ventricle: case report and review of the literature [Young] 15 (January)

Pediatric Headache
parent responses to pediatric headache [Wall] 65 (February)

Pediatric Migraine
multicenter prospective evaluation of proposed pediatric migraine revisions to the IHS criteria [Winner] 545 (October)

Personality in Adult
growth environment and personality in adult migraineurs and their migraine-free siblings [Persson] 159 (March)

Pharmacology of Dihydroergotamine
the pharmacology of ergotamine and dihydroergotamine [Silberstein] S15 (Supplement 1)

Pharmacology of Ergotamine
the pharmacology of ergotamine and dihydroergotamine [Silberstein] S15 (Supplement 1)

Phonophobia
photophobia and phonophobia in migraineurs between attacks [Main] 492 (September)

Photophobia
photophobia and phonophobia in migraineurs between attacks [Main] 492 (September)

Pituitary Macroadenoma
case report: migrainelike headache in a patient with a hemorrhagic pituitary macroadenoma [Evans] 455 (July/August)

Population-Based Study
prevalence of migraine and headache in a high-altitude town of Peru: a population-based study [Jaillard] 95 (February)

Positron Emission Tomography
positron emission tomography studies in headache [Diener] 622 (November/December)

Postlumbar Puncture Headache
postlumbar puncture headache and its relation to chronic tension-type headache [Hannerz] 659 (November/December)

Posttraumatic Headache
pathogenesis of posttraumatic headache and migraine: a common headache pathway? [Packard] 142 (March)

cerebral blood flow in chronic posttraumatic headache [Gilkey] 583 (October)

Pressure Pain
study of pressure pain and cellular concentration of neurotransmitters related to nociception in episodic tension-type headache patients [Mazzotta] 565 (October)

Prevalence of Migraine
prevalence of migraine and headache in a high-altitude town of Peru: a population-based study [Jaillard] 95 (February)

Prolotherapy
letter to the editor: prolotherapy for chronic headache [Abraham] 256 (April)

Prophylaxis of Migraine
alpha$_1$-adrenergic blockers: do they have a place in the prophylaxis of migraine? [Vatz] 107 (February)

Propranolol
case report: migrainous stroke causing thalamic infarction and amnesia during treatment with propranolol [Mendizabal] 594 (October)

Protriptyline
protriptyline, chronic tension-type headaches, and weight loss in women [Cohen] 433 (July/August)

Psychophysical Precedents
psychophysical precedents of migraine in relation to the time of onset of the headache: the migraine time line [Spierings] 217 (April)

Psychosocial Factors
psychosocial factors and prediction of headaches in college adults [Labbé] 1 (January)

Quality of Life
headache intensity and quality of life in adolescents. how are changes in headache intensity in adolescents related to changes in experienced quality of life? [Langeveld] 37 (January)

loss of productivity and quality of life in migraine sufferers among French workers: results from the GAZEL cohort [Michel] 71 (February)

Quality of Life Perceptions
using pretreatment quality of life perceptions to predict response to sumatriptan in migraineurs [Litaker] 630 (November/December)

Refractory Migraine
oral narcotic protocol to reduce narcotic injections in refractory migraine patients [Von Seggern] 341 (June)

droperidol treatment of status migrainosus and refractory migraine [Wang] 377 (June)

Retinal Infarcts
case report: recurrent branch retinal infarcts in association with migraine [Beversdorf] 396 (June)

Revisions to the IHS Criteria
multicenter prospective evaluation of proposed pediatric migraine revisions to the IHS criteria [Winner] 545 (October)

Serotonin Syndrome
case report: serotonin syndrome presenting with migrainelike stroke [Molaie] 519 (September)

Seventh Nerve Palsy
idiopathic intracranial hypertension and seventh nerve palsy [Capobianco] 286 (May)

Severity Continuum
quantitative assessment of the tension-type headache and migraine severity continuum [Schade] 646 (November/December)

Sexual Headache
letter to the editor: benign exertional headache/benign sexual headache: a disorder of myogenic cerebrovascular autoregulation [Heckmann] 597 (October)

Side Effects of Sumatriptan
case report: the site of common side effects of sumatriptan [Solomon] 289 (May)

Singapore University
headache and self-assessed depression scores in Singapore University undergraduates [Ho] 26 (January)

Sinus Thrombosis
case report: transverse sinus thrombosis: an unusual cause of headache [Wasson] 457 (July/August)

'Skin Roll' ('Pinch and Roll') Test
'skin roll' ('pinch and roll') test: skinfold thickness and tenderness [Bansevicius] 281 (May)

Sleep
fatigue and sleep in chronic headache sufferers: an age- and sex-controlled questionnaire study [Spierings] 549 (October)

Smoking
alcohol, smoking, and caffeine use among headache patients [Mannix] 572 (October)

SPECT
case report: basilar artery migraine: transcranial Doppler, EEG, and SPECT from the aura phase to the end [La Spina] 43 (January)

migrainous syndrome with CSF pleocytosis. SPECT findings [Caminero] 511 (September)

Sphenoid Mucocele
case report: headache caused by a sphenoid mucocele but presenting as an ergotamine-induced headache [Bauer] 460 (July/August)

Status Migrainosus
droperidol treatment of status migrainosus and refractory migraine [Wang] 377 (June)

Stress
migraine and stress: a daily examination of temporal relationships in women migraineurs [Holm] 553 (October)

Stress Response
the stress response in headache sufferers: physiological and psychological reactivity [Holm] 221 (April)

Sumatriptan
case report and subject review: sumatriptan relieves migrainelike headaches associated with carbon monoxide exposure [Lipton] 392 (June)

sumatriptan in the acute treatment of migraine without aura: efficacy of 50-mg dose [Moschiano] 421 (July/August)

using pretreatment quality of life perceptions to predict response to sumatriptan in migraineurs [Litaker] 630 (November/December)

sumatriptan and cerebral blood flow velocity changes during migraine attacks [Totaro] 635 (November/December)

Sumatriptan Prophylaxis
letter to the editor: sumatriptan prophylaxis for intractable migraine [Gilbert] 113 (February)

SUNCT Syndrome
SUNCT syndrome: a clinical review [Pareja] 195 (April)

Sweden
headache in Sweden: the importance of working conditions [Antonov] 228 (April)

Sympathetic Mechanisms
the enhanced ciliospinal reflex in asymptomatic patients with cluster headache is due to preganglionic sympathetic mechanisms [Havelius] 496 (September)

Sympathetic Vasoconstrictor Outflow
sympathetic vasoconstrictor outflow to extremity muscles in cluster headache. recordings during spontaneous and nitroglycerine-induced attacks [Nordin] 358 (June)

Tannins
letter to the editor: migraines and tannins - any relationship [Mather] 529 (September)

Tc 99m HMPAO Brain SPECT
interictal and ictal phase study with Tc 99m HMPAO brain SPECT in juvenile migraine with aura [Soriani] 31 (January)

Tension
mental stress of long duration: EMG activity, perceived tension, fatigue, and pain development in pain-free subjects [Bansevicius] 499 (September)

Tension-Type Headache
the comparison of individuals with tension-type headache and headache-free controls on frontal EMG levels: a meta-analysis [Wittrock] 424 (July/August)

platelet ionized magnesium, cyclic AMP, and cyclic GMP levels in migraine and tension-type headache [Mishima] 561 (October)

study of pressure pain and cellular concentration of neurotransmitters related to nociception in episodic tension-type headache patients [Mazzotta] 565 (October)

quantitative assessment of the tension-type headache and migraine severity continuum [Schade] 646 (November/December)

Thalamic Infarction
case report: migrainous stroke causing thalamic infarction and amnesia during treatment with propranolol [Mendizabal] 594 (October)

The GAZEL Cohort
loss of productivity and quality of life in migraine sufferers among French workers: results from the GAZEL cohort [Michel] 71 (February)

Therapeutic Blockade
therapeutic blockade of greater occipital and supraorbital nerves in migraine patients [Caputi] 174 (March)

Transcranial Doppler
case report: basilar artery migraine: transcranial Doppler, EEG, and SPECT from the aura phase to the end [La Spina] 43 (January)

Treatment of Acute Migraine
ketoprofen versus paracetamol in the treatment of acute migraine [Karabetsos] 12 (January)

Treatment of Migraine
diagnosis and symptomatic treatment of migraine [Saper] S1 (Supplement 1)

appropriate use of ergotamine tartrate and dihydroergotamine in the treatment of migraine: current perspectives [Young] S42 (Supplement 1)

Trial Methodology
book review: headache treatment. trial methodology and new drugs [Mosek] 599 (October)

Trigeminal Neuralgia
editorial: trigeminal neuralgia: are all of the treatment options being considered? [Campbell] H3 (January)

cerebrospinal fluid, neuropeptides, and monoaminergic transmitters in patients with trigeminal neuralgia [Strittmatter] 211 (April)

trigeminal neuralgia. clinical manifestations of first division involvement [Sjaastad] 346 (June)

case report: painful trigeminal neuropathy: clinical and pharmacological observations [Khurana] 522 (September)

Vasomotor Changes
case report: cerebral vasomotor changes in the transient syndrome of headache with neurologic deficits and CSF lymphocytosis (HaNDL) [Kappler] 516 (September)

Visual Aura
characteristics of migraine visual aura [Queiroz] 137 (March)

Visual Evoked Potentials
visual evoked potentials and serum magnesium levels in juvenile migraine patients [Aloisi] 383 (June)

pattern-reversal visual evoked potentials in migraineurs with or without visual aura [Sener] 449 (July/August)

Warfarin
reduction of migraine attacks during the use of warfarin [Fragoso] 667 (November/December)

Weight Loss
protriptyline, chronic tension-type headaches, and weight loss in women [Cohen] 433 (July/August)

Wolff Award 1997
involvement of a Ca^{2+} channel gene in familial hemiplegic migraine and migraine with and without aura [Ophoff] 479 (September)

Women Migraineurs
migraine and stress: a daily examination of temporal relationships in women migraineurs [Holm] 553 (October)

Working Conditions
headache in Sweden: the importance of working conditions [Antonov] 228 (April)
